

Electrical Fixtures

WaterSaver electrical boxes are UL-listed under standard UL514A, are machined for both standard and ground fault receptacles, and are furnished complete with grounding screws, 3/4" IPS mounting shank and locknut.

To order electrical fixtures, please proceed as follows:

1. Select the desired box from below.
2. Select the desired receptacle from below. Read across and down to find the appropriate fixture number. Note that, unless specified otherwise, receptacles are furnished in black.

3. Specify the desired finish for the pedestal box, as follows:

- Wrinkle black epoxy powder-coated finish (standard).
- Satin (brushed) aluminum finish (suffix "SA").
- Polished (bright) aluminum finish (suffix "PB").
